II. Basis for Jurisdiction

Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation and the amount at stake is more than \$75,000 is a diversity of citizenship case. In a diversity of citizenship case, no defendant may be a citizen of the same State as any plaintiff.

In my civil complaint against these people regarding their involvement in a September 7 2015 accident that was life insurance fraud with Allstate insurance a private investigator was hired to end my life. His name was Thad Efferson. In January 2019 he kidnapped me in a replica UL police car and put handcuffs on my wrist that were electrocuting me then I was transported to Lpcc and left on a summons. He followed me to Baton Rouge to St Vincent de Paul shelter and put micro transmitters in my ears while I was asleep. He next followed me around Baton Rouge in a replica patrol car and one night on Goodwood Blvd he injected me with fentanyl and tried to overdose me. I came back to Lafayette the next incident was at Veterans Park in a replica Lafayette city police vehicle he was using ambulance equipment a defibrillator and tried to electrocute me. I then filed suit in 6-19-cz-1289 against Acadian Days later on November 7th I was arrested on a misdemeanor I had court December 11th Thad Efferson was supposed to appear for the charge of simple assault and since he was not a real police officer he did not appear in court I was given credit for time served and was illegally held in a jail cell until April 6th 2020 the whole time I was inside there was broadcasting equipment inside the sector of the jail and it was linked to the transmitters in my ear and Thad Efferson was using I.S.I.S. style communication and high pitch frequency to try to get me to commit suicide. Upon my release I was given a May 5th court date when I went the parish court house was closed COVID-19 and an August 6th court date was given. I was then illegally arrested again by Lafayette Sheriff Deputy Calais and had to endure this broadcasting equipment inside Lpcc in 24 hr lockdown with the same mobile operator Thad Efferson. COVID-19 systems are computer operated voice integrated devices. Acadian networking with this man who is a representative of Allstate insurance tried to get him to end my life to protect federal fraud that is why I could not make court and my civil matter was fraudulently dismissed. This man also placed fraud documents for Acadian ambulance in my mailbox and he and Acadian are involved in corporate gangstalking a form of street terrorism. Acadian ambulance and Acadian Air Med both have the broadcasting equipment on their vehicles and he is the mobile operator and terrorist who keeps trying to have me fraudulently arrested and thrown back into Lafayette Parish Correctional Center where they also have illegal broadcasting equipment. Acadian companies are involved in federal fraud and terrorism.
